SUMMARY

Final-year Electronics and Communication Engineering student, passionate about web development and programming. **Skilled in React.js and Django**, eager to contribute technical expertise to innovative projects in software development.

EDUCATION

B.Sc in Electronics and Communication Engineering

Khulna University of Engineering and Technology.

CGPA: 3.50/4.00

Passing year: 2025

Higher Secondary School Certificate

Brahmanbaria Govt. College, Brahmanbaria.

GPA: 4.83/5.00

Passing year: 2019

Secondary School Certificate

Annada Govt. High School, Brahmanbaria.

GPA: 5.00/5.00

Passing year: 2017

SKILLS

Web Development

- **Frontend:** React.js, Tailwind CSS, Axios
- **Backend:** Django, DRF – Django Rest Framework
- **Database Management:** PostgreSQL, MongoDB
- **Authentication:** Simple JWT, Firebase

Deployment & DevOps

- **CI/CD:** GitHub Actions
- **Version Control:** Git, GitHub
- **Platforms:** Netlify, Railway, GitHub pages

Tools

- **SonarQube** (Code Quality Analysis)
- **Postman** (API testing)

PROJECTS

KUETx: Learning Management System

React.js | Django | DRF | Simple JWT | PostgreSQL | Netlify | Railway

GitHub | Live Site

- **Description:** Developed a full-stack LMS enabling course management, secure user authentication (with email verification), admin dashboard, community newsfeed and a quiz system.
- **My Contribution:** Designed the whole database architecture. Implemented the course and content management, built the authentication flow with role-based access and developed admin dashboard.

Techshop: E-commerce Web Application

ASP.NET | HTML | CSS | JS | SQL Server

- **Description:** Developed a fully functional tech shop platform where users can browse products, login to their account, add items to a cart and complete purchases securely.

DC Power Supply: Hardware Project

- **Components Used:** Resistors, Capacitors, ICs, Veroboard, Relays.
- **Description:** Designed and built a regulated DC power supply capable of providing adjustable output voltages for use in low-power electronics applications.

CERTIFICATION

- 'Complete Web Development' –
Programming Hero
December, 2021

AWARDS

- Regional Math Olympiad
1st runner-up, 2016

EXTRACURRICULAR ACTIVITIES

1. Floor Monitoring Committee Member
Lalan Shah Hall
2. Bangladesh National Cadet Corps (BNCC)
2013 – 2015
